#### INDEPENDENT AUDITOR'S REPORT

Board of Directors Asesores Financieros Comunitarios, Inc. San Juan, Puerto Rico

#### Report on the Financial Statements

We have audited the accompanying financial statements of **Asesores Financieros Comunitarios**, **Inc.** (a nonprofit organization) (hereinafter "the Organization"), which compromise the statement of financial position as of June 30, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Asesores Financieros Comunitarios**, **Inc.** as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

#### **NOTES TO FINANCIAL STATEMENTS**

#### FOR THE YEAR ENDED JUNE 30, 2015

#### ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Activities**

The accompanying financial statements include the accounts and transactions of **Asesores Financieros Comunitarios**, **Inc.**, (a non-profit organization) (herein-after "the Organization"). The Organization was organized under the laws of the Commonwealth of Puerto Rico on August 10, 2007 and began operations in December 2007. The purpose of the Organization is to empower non-profit and community based organizations to improve their long-term fiscal administration and assure their financial viability. Also, the Organization provides training services to non-profit organization personnel in the areas of organizational structure, accounting and general administration.

In January 2015, **Asesores Financieros Universitarios** ("AFU") was launched, with the objective of establishing a mentoring program and helping nonprofit organizations with their general accounting, bookkeeping, financial statements preparation and other administrative and accounting related tasks. The program provides accounting students from universities in Puerto Rico the opportunity to work in a committee based non-profit organization under the supervision and guidance of an experienced mentor, usually a volunteer CPA from the Organization. AFU is part of the Consulting Program provided by the Organization.

Effective for the period ended June 30, 2014, the Organization changed its fiscal year-end from December 31 to June 30.

#### Mission

The Organization's mission consists in empowering nonprofit community-based entities of Puerto Rico to achieve a sound management, by providing training and consulting services in the areas of accounting, administration, and compliance, through a team of volunteers, CPAs, professionals, and college students.

#### Vision

The achievement of economic sustainability of non-profit community-based entities to improve the quality of life of Puerto Rico.

#### **Basis of Presentation**

The accompanying financial statements have been prepared on accrual basis of accounting in accordance with United States generally accepted accounting principles, as promulgated by the Financial Accounting Standard Board (FASB). Resources are presented in accordance with FASB ASC Topic 958, *Financial Statements of Not-for-Profit Organizations*, which requires that all not-for-profit organizations provide a statement of financial position, a statement of activities, and a statement of cash flows. FASB ASC Topic 958 also requires that net assets, revenues, expenses, gains and losses be presented in the financial statements according to the following three classes of net assets:

Unrestricted Net Assets - are free of donor-imposed restrictions. All revenues, gains, and losses that are not temporarily or permanently restricted by donors are included in this classification. All expenditures are reported in the unrestricted class of net assets, since the use of restricted contributions in accordance with donors' stipulations results in the release of the restriction. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors or may otherwise be limited by contractual agreements with outside parties.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that can be fulfilled by actions of the Organization pursuant to those stipulations or that expire as time passes by.

#### **NOTES TO FINANCIAL STATEMENTS**

#### FOR THE YEAR ENDED JUNE 30, 2015

#### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Basis of Presentation (Continued)**

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that require that they be maintained permanently by the Organization. Generally, the donors of such assets permit the nonprofit organization to use all or part of the income earned on its assets.

Expirations of temporary restrictions on net assets, for example, the passage of time and/or fulfilling donorimposed stipulations, are reported as net assets released from restrictions between the applicable classes of net assets in the statements of activities.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Expense Allocation**

Directly identifiable expenses are charged to programs (education and consulting), supporting services, general and administrative, and fundraising activities. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

#### **NOTES TO FINANCIAL STATEMENTS**

#### FOR THE YEAR ENDED JUNE 30, 2015

#### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Concentration of Credit Risk**

The Organization maintains its cash accounts in one financial institution. These bank accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Cash held by this institution normally does not exceed federally insured limits.

The Organization receives contributions and grants, which require separate bank accounts to register grant revenues and disbursements.

The Organization received a grant from Fundación Ángel Ramos (hereinafter the "FAR") to cover rent expenses. This grant is a contribution and not an obligation of FAR, who holds the power to restrict, limit or eliminate the contribution at any time. The grant is limited to its availability at the time of disbursement. In addition, FAR donates the use of the space where the workshops are performed, including the cost of utilities.

#### **Promises to Give**

Unconditional promises to give cash and other assets to the Organization are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted net assets, if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met within the same period as received are reported as unrestricted contributions in the accompanying financial statements.

#### Allowance for Doubtful Accounts

The Organization provides for estimated losses on accounts receivable based on prior bad debts experience and a review of existing receivables. As of June 30, 2015, the Organization believes that no allowance for doubtful accounts is required.

#### **Fair Value Measurements of Financial Instruments**

The Organization determines fair value measurements based on FASB ASC Topic 820, Fair Value Measurements, which provides a common definition of fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements, but does not require any new fair value measurements. The standard categorizes levels of input into three-levels: (1) quoted market prices for identical assets or liabilities in active markets, (2) observable market-based inputs or unobservable inputs that are corroborated by market data.

The Organization's financial instruments are presented at fair value or at cost. The fair value of a financial instrument is the amount that would be received to sell and asset in an orderly transaction between market participants at the measurement date.

The Organization's financial instruments consist of cash, promises to give, accounts payable and accrued expenses.

#### **NOTES TO FINANCIAL STATEMENTS**

#### FOR THE YEAR ENDED JUNE 30, 2015

#### ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Fair Value Measurements of Financial Instruments (Continued)

Promises to give are recorded at fair value.

#### **Property and Equipment**

The Organization capitalizes property and equipment with a cost in excess \$500. Lesser amounts are charged to expense as acquired. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Property and equipment are depreciated using the straight-line method over their estimated useful lives of three years.

#### **Compensated Absences**

Employees are entitled to 15 days of vacation and 12 days of sick leave annually. Sick leave is not accrued because it does not vest; employees are not paid for any sick leave balance at termination of employment or at any other time. The compensated absences liability is calculated based on the pay rates in effect at year-end. Vacations are normally granted during July and near the end of December, during the holidays, to minimize their effect on the services provided.

#### **Grants and Donations**

The Organization follows FASB ASC Topic 958, *Non-for-Profit Entities*. In accordance with FASB ASC Topic 958, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence and/or nature of any donor restrictions.

Donations have been recorded at their fair value, and are recognized as support and as an expense in the period in which the services are rendered.

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteers also provided workshops and fund-raising services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met. The Organization receives approximately 400 volunteer hours per year.

The Organization reports the fair value of gifts of donated food and grocery products over which it has control as unrestricted public support and, shortly thereafter, as expense when granted to members.

#### NOTES TO FINANCIAL STATEMENTS

#### FOR THE YEAR ENDED JUNE 30, 2015

#### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Income Taxes and Other Taxes**

The Organization is a non-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the United States of America Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified by the Internal Revenue Service as *Other than a Private Foundation* under Section 509(a)(2). In Puerto Rico, the Organization is exempt from the payment of income, municipal and property taxes, under Section 1101(12) of the Puerto Rico Income Tax Code, Section 9(7) of the Municipal License Tax Act, and Section 5.01(e) of the Municipal Property Tax Act, respectively.

The Board of Directors evaluates uncertain tax positions that may be material in the financial statements. In addition, the Board of Directors determined that the Organization currently is being operated substantially in compliance with the applicable requirements of the Puerto Rico Internal Revenue Code and the United States Internal Revenue Code. Accordingly, the Board of Directors believes that there is no significant income tax exposure.

The Organization's tax returns are subject to examination for a period of four years after filing. As of June 30, 2015, the Organization was not subject to a tax examination.

#### **Subsequent Events**

The Organization has evaluated subsequent events through December 7, 2015, the date which the financial statements were available to be issued. The Organization has determined that there are no events occurring in this period that require disclosure in or adjustment to the accompanying financial statement.

#### 2. PROMISE TO GIVE

#### 5. COLLABORATIVE LEASE ARRANGEMENT

Since October 1, 2013, the Organization occupies its office facilities under a three-year rent agreement with FAR, that includes office space, parking, and security. The agreement provides for quarterly rent payments of \$6,326. Under a separate agreement but effective on the same date, FAR agrees to contribute to the Organization, during the term of the lease, an amount equal to the rent payments.

The following is a schedule of minimum future rentals by year to be received on non-cancelable leases as of June 30, 2015:

Years EndingJune 30,	Amount
